Cooperative solutions for
"Future of Work" challenges
exist, as demonstrated by
independent workers that
get together and mutualise
risks and solidarity.

Enough with on-call work, zero-hour contracts, and casual work!
Join other workers in similar situations through worker cooperatives.
Cooperation and solidarity are the keys for better jobs and rights.

Platforms are popular. But what about the social rights of many platform workers who face insecurity and sometimes exploitation?

Workers and other stakeholders can come together and own the platform collectively.

Kids delivering pizza on a bike are not entrepreneurs!

They deserve proper working conditions and access to social protection.

Worker-owned cooperative solutions for them exist.
